As stated in your lease agreement, we require that you secure insurance coverage on the above mentioned equipment. Please send us an insurance certificate **within 10 business days** from delivery, covering your leased Cassone Leasing, Inc. piece of equipment which we require for our records. This certificate must contain the following information:

1. Minimum liability covering \$1,000,000.00 per occurrence/aggregate
2. Cassone Leasing, Inc. is to be named as additional insured regarding liability.
3. Cassone Leasing, Inc. is to be named as loss payee.
4. Each piece of equipment is to be specifically certified on the insurance certificate and property coverage provided for the above value.

For customers privately leasing our equipment, homeowner's policies generally do not cover these requirements and a separate general liability and inland marine policy may be needed.

Unfortunately, Cassone Leasing, Inc. does not offer insurance. If you have any questions, please contact our office and we will be glad to answer any questions that you may have regarding this matter.
